The screenshot displays the Griffith eLearning Support Moodle course page. The header includes the Griffith College logo, a 'Useful Links' menu, and a user profile icon. The breadcrumb trail shows 'Home > Courses > Lecturer Support & Development > Griffith eLearning Support'. The main content area is titled 'WELCOME TO GRIFFITH ELEARING SUPPORT' and features eight tiles with various resources, each with a 'View' button:

- Moodle Tutorials**: A new Moodle and essential video Lessons. Includes a thumbnail of the Moodle interface.
- Assessment Information**: Managing Assessments and submissions. Includes a thumbnail of hands writing on a notepad.
- Creating Online Lectures**: Screencasting with Camtasia. Includes a thumbnail of a computer screen with the Camtasia logo.
- Zoom Webinars**: Setting-up Your Online Classroom. Includes a thumbnail of a Zoom meeting grid.
- Instructional Documentation**: Setting-up Your Online Classroom. Includes a circular diagram with steps: Analyse, Design, Develop, Implement, Evaluate.
- Useful Apps**: The Latest learning tools. Includes a thumbnail of a tablet screen showing various app icons.
- Useful resources**: Teaching Tools. Includes a thumbnail of a person at a laptop with a speech bubble.
- Copyright & Referencing**. Includes a thumbnail of two people looking at a screen.

The right sidebar contains three sections:

- COURSE SUMMARY**: Start here for an introduction to Moodle including online user guides in text and video.
- SMS MANAGER**: Send SMS to Entire Course, Individual People, or A Group.
- OECD.ORG - EDUCATION**: PISA in Focus No. 80 - In which countries and schools do disadvantaged students succeed? PISA 2015 data show that, on average across OECD countries, as many as three out of four students from the lowest quarter of socio-economic status reach, at best, only the baseline level of proficiency (level 2) in reading, mathematics or science.

The bottom of the sidebar features an **ADMINISTRATION** section with a list of links: Course administration, Edit settings, Turn editing on, Course completion, Users, Filters, Reports, Gradedbook setup, Badges, Backup, Restore, Import, Reset, Question bank, and Legacy course files.
